

DILUENTE DNH 40

Thinner to clean tools used with waterborne products

Description

DILUENTE DNH 40 is a thinner for cleaning tools (rollers, brushes etc.) used for varnishing wooden floors with water-based products.

Characteristics

Appearance	colourless liquid
Specific weight	0,975 kg/lit
Packaging	5-10-25 L
Storage stability	1 year ⁽¹⁾

1 in original sealed containers at temperatures between +10°C and +25°C

How to use

After varnishing with water-based products, remove any excess of varnish from tools and plunge them into a bucket full of DILUENTE DNH 40 until next use.

Take out tools from bucket and rinse with water before use.

It is advisable to avoid leaning dirty tools on bare wood.
