

DILUENTE DRV 1

For diluting oil-based urethane varnishes

Description

DILUENTE DRV 1 is an odorless synthetic thinner for wax, oil-based colours and oil-based urethane varnishes.

Characteristics

Appearance	colourless liquid
Specific weight	0,77 kg/lt
Packaging	5 L - 12,5 L
Storage stability	1 year ⁽¹⁾

1 in original sealed containers at temperatures between +10°C and +25°C

How to use

Generally all Chimiver solvent paints, both single and two-component, are ready to use.

However in particular situations, such as adverse environmental conditions (high temperatures and low pressure), large surfaces to be painted, poorly absorbent woods, it is possible to add DILUENT DRV1 in quantities between 5-10%. Dilutions greater than the indicated quantities could compromise the final appearance of the painting.

Label elements

For more information about the safe use of the product it is recommended to consult the latest version of the Safety Data Sheet.
