Coverage	750 ml / 50 m ²
Packaging	750 ml/25 L
Storage stability	1 year ⁽¹⁾

1 in original sealed containers at temperatures between +10°C and +25°C

How to use

Shake well before use. Dispense the product on the surface. Leave for 3 minutes maximum. Wipe with a damp cloth and rinse thoroughly. VELUREX Sgrassatore is also effective for the removal of old layers of natural and metallic wax such as VELUREX Metal Lack and VELUREX Metal Matt (see related data sheets). The action of VELUREX Sgrassatore is more effective and intensive when combined with a mechanical action performed by means of scotch brite or microfiber cloth.

Use with a scrubbing machine: dilute the product from a minimum of 1:5 to a maximum of 1:20 with water. The dilution must be adjusted according to the dirt, the type of floor and the model of the scrubbing machine used. After washing it is not necessary to rinse, it will be enough to suck the washing water left on the floor. Do not use the product on aluminium surfaces. For other uses, do a preliminary test before use.

Warnings

Keep out of children's reach. If medical advice needed, have product container or label at hand.
