

WPC SPRAY CLEAN

Spray cleaner for WPC

Description

WPC SPRAY CLEAN is a spray cleaner suitable for the removal of all the kind of deep spots on treated and not-treated WPC. WPC SPRAY CLEAN clean acts with strong efficacy, solubilizing even the tough dirt, where the regular detergent is not effective. It does not leave halos and it does not discolor the material.

Characteristics

Application	spray
Application temperature	+5°C ÷ +30°C
Packaging	200 ml
Storage stability	1 year ⁽¹⁾
1 in original sealed containers at temperatures between +10°C and +25°C	

How to use

Shake well WPC SPRAY CLEAN before the use.

Spray WPC SPRAY CLEAN directly on the spots that have to be removed, keeping a 25 cm distance. Let the product acts for at least 2-3 minutes than brush and rinse with water. In case of tough dirt re-apply WPC SPRAY CLEAN following the same procedure.

The following protective treatment can be performed with SCUDO WPC or SCUDO WPC PLUS (see relative technical data sheets).

Notes

Some WPC reaches high temperatures when under strong sun light especially during the summer; it is advisable to clean the WPC during the early hours of the morning.

Warnings

Keep out of children's reach. If medical advice needed, have product container or label at hand.

Label elements
